MEMORANDUM FOR THE CHIEF, ICAPS:

Subject: Comments on NSC Directives.

Attached hereto are comments on minor points, however, I believe the change in paragraph 5, particularly 5h, is a little more readable and not at variance with the basic principle. The proviso in paragraph 6, which I suggest I believe is necessary in order that the Security Council may direct from time to time duties which are neither centrally performed nor discussed by the IAC. Paragraph 7 has been changed to the extent of adding the phrase as appropriate to their respective responsibilities, which I believe desirable in view of the wording in the first part of the paragraph and not at variance with the desired procedures.
